Supply of High-Performance Computational Cluster

IISER Thiruvananthapuram

■ Detailed specifications

- Through this tender, IISER Thiruvananthapuram (IISERTVM) is inviting proposals in a two-cover format from reputed Original Equipment Manufacturers (OEMs) or their dealers, distributors, or agents (collectively referred to as bidders) for the supply, installation, commissioning, and handover of a **HIGH PERFORMANCE COMPUTING (HPC)** cluster with a peak performance of at least **45 TERAFLIPS (TFLOPS)**.
- In the following, OEM is defined to be an entity that manufactures compute and master nodes, components of the Data Centre infrastructure. The term 'HPL performance' used below is defined to be TFLOPS of 64-bit floating point High Performance LINPAC (HPL) Benchmark (<http://www.netlib.org/benchmark/hpl/>) performance obtained with turbo mode off.
- The proposed system should be based on an x86-based architecture and have a total compute capability (combining all compute nodes) of a minimum of 45 TFLOPS of peak theoretical performance, referred to as R_{peak} from here onwards (the R_{peak} should be calculated using the "Marked TDP frequency" or "processor base frequency" in the processor specifications without turbo).
- The solution must be well designed so that the ratio R_{max}/R_{peak} is greater than 0.75, where R_{max} is the sustained HPL performance, obtained using exactly the same ground rules as given in <http://www.top500.org/project/linpack/>.
- IISERTVM reserves the right to scale up or down the final purchase order in terms of the total TFLOPS requirement by up to 20% and the storage requirement by up to 50%. However, all the bids will be evaluated for a system that meets the stated requirement of at least 45 TFLOPS of R_{peak} .
- In the event the final size of the order is revised as mentioned above, the revised price will be arrived at by using the unit rates quoted for the necessary items as listed in the BOQ with proportionate changes in the price of lumpsum items.
- Please quote only in Indian Rupees as per GFR 2017 amended Rule 161 (iv) and the Public Procurement (Preference to Make in India) Order 2017, with your lowest rate and shortest delivery period as per the following terms.
